University Environment

Admissions Open for 2020

Welcome to D Y Patil International College

Founded in 2006, DYPIC is an established junior college and takes pride in offering quality international education with over 35 years of education legacy to globally minded families who wish to offer international education to their children.

DYPIC is IB accredited and offers the Diploma programme. True to its core value of reaching quality education to the masses, DYPIC is committed to make this dream a reality at an extremely modest price.

Our teaching staff and administrators are highly educated and passionate 21st century members who are creative in the classroom and offer individual instructions to our students.

The curriculum is structured to enable students to become independent and well balanced members of society and instill skills necessary for good life long work habits.

Our students have opportunities to develop and apply skills in leadership, teamwork, independent learning, creative problem solving in a range of activities offering service and action as a means to realise the importance of giving back to the school and local community.

College and Career Counseling Program

Our counselors assist and advise students on their academic and personal decisions based on the students passion and aspiration. They provide individualized counselling to students, assess their ability & potential and co-ordinate with appropriate universities to seek required admissions.

We are committed to preparing our students to succeed through the two years of rigorous IBDP training and lay the foundation for the academic career beyond high school. As a result, we at DYPIC consider the IB Diploma Program more as a way of life and an intense university program than just 11th and 12th grades.
